Rarities from underground
In the centre of Mogilev, a heating main was replaced during the summer. Nothing exciting about that, you may think.
Page 7

Silver of native land
Pictures by three artists — Anatoly Baranovsky, Yelena Baranovskaya and Vitaly Gerasimov — occupy a whole floor at Minsk's Palace of Arts. Their large scale and significance makes one think that even more space is needed to fully demonstrate all these interesting and bright works.

Conversation on the given topic

At a meeting with students of the Mogilev State A. Kuleshov University, President of Belarus Alexander Lukashenko believes that, in order to preserve the Belarusian nation and its sovereignty, the country needs to follow its own way, patiently building policies to improve the standard of living of Belarusians and their children → **3**

Taking care of Turov land

During his working trip to the Gomel Region, the President of Belarus announced that he urges complete fulfilment of 2011-2015 state programme for socio-economic development and complex use of natural resources of the Pripjat Polesie area. Alexander Lukashenko was interested to learn what has been done so far. → **4**

Bright thoughts with legal rights available for everyone

Restless inventors patent everything — including sweet covers, haulers and even... perpetual motion machines → **6**

Tsmoki rewrites VTB United League record

Belarusian representatives of the VTB United League continue to surprise → **11**

True holiday will arrive together with the championship

Fewer than 200 days are left before the Hockey World Cup, which is played in Minsk and begins in May of next year. The President of Belarus attended a meeting to tackle the issues of preparation and holding of the championship. → **2**
