## Electrician puts a spark into opera

When an artiste appeared on the stage of the Molodechno amphitheatre with the appearance of Stas Mikhailov and voice of Muslim Magomayev, the audience went crazy. In Molodechno, Vladimir Alexandrovich is an explosive performer, gathering a full house performing the most serious musical programmes. Accompanied by the M.K. Ogiński Musical College Symphonic Orchestra of Molodechno, Vladimir, with his smart bass baritone sings romances, arias from operas, songs from the war years and a variety of classical songs. He is elegant and ardent on stage and his virtuosity is accentuated by his haute couture.
